

## More than a sport camp! July 27-29

Hello, we want to introduce you to our summer ministry in Vanadzor. We held our first sport camp for kids 5-13 years old. They had the opportunity to try martial arts, boxing, and CrossFit, and also played loads of games. Thank you for your prayers and support. Together we are reaching young hearts for God.

At the camp we got a call from a mother who told us that her son had forgotten his money for the bus. We gave him a little bit more than he needed. He didn't want to accept it and said that it's too much and he doesn't have change. We said we don't need any change, it's all yours. Then he turned to us and said: "now I can see that you love Jesus".

### "Huddle" time

The most important time at the camp was when the kids asked questions and we told them how much Jesus loves them. For most of the kids it was the first time they heard about Jesus' love.

**FightLife's mission: To lead every coach and athlete in a growing relationship with Jesus Christ and His church.**

## Martial Arts Competition! July 30th

Fifty athletes participated in this tournament held in the city of Spitak, which was the epicenter of the terrible earthquake of 1988 and is still struggling to rebuild. We shared the good news about God's love with them as well as with five coaches and over 50 parents present.

## FightLife Center is now open!

FL Center is the place where kids and adults alike gather and grow spiritually. Starting in August we formed two huddle groups, one for 8-13 year-olds and one for 14+. Each has 15 members and meets every Saturday to learn more about Jesus and grow closer to Him.

## Taking the Plunge for Christ

On September 11, eight FightLife members, including three of our coaches--Petya, Erik and Gor--made the important decision to walk with Jesus. They were baptized in our "Selah" church, which we established in 2022 to serve the FightLife community.

## **We covet your prayers about:**

- The uprooting of Armenians from Nagorno-Karabakh
- Strength for our team members, that they will be able to serve despite the tense situation in N-K and the region
- Steadfastness for the eight people who were baptized
- Our ministry's financial needs, in order for the FightLife vision to be fully realized
- Geor and his family, that the peace of Christ dwell in their hearts
