FIGHTLIFE

Tournament for kids

On December 17, FightLife held a Grappling tournament where we invited all the Grappling major groups in the region. Before starting the tournament, we **shared our vision** with around 60 parents and invited all the presents to **pray together**.

Sharing is caring!

On January 5th, a Christmas event was organized for refugee families in Artsakh, during which we provided essential support in the form of food and clothing. Each family received a beautifully packaged gift box, which included an exclusive discount card from FightLife club, specifically designated for the children of the refugee families. This initiative aimed to bring joy and assistance to those affected, embodying our commitment to contributing positively to the well-being of the community.

Getting to know Jesus!

We held a charity run involving Russian and Ukrainian athletes who arrived in Armenia due to the war. Notably, the leader of this group, Ivan, joined our FightLife team as a CrossFit coach. Upon integrating into our community, Ivan formed a close friendship with our Ukrainian coach and as a result of their friendship, **Ivan repented and started to read and study the gospel.**

Christmas celebration in "Selah"

On January 6, our 'Selah' church hosted a Christmas event that drew a remarkable crowd in the history of our church creating a special moment for our community. The service was deeply meaningful, emphasizing the importance of this occasion. The service was profoundly **blessed!**

Please support us in prayer

- for these newly converted athletes, who made the most important decision in their life
- for our new branch in Yerevan, so we can find finances to make our dream come true to have the first Christian sports club in the Capital of Armenia. We believe this will be a big blessing for our country
- for our family, because I will be on business in the US, so that period will be under God's protection and blessings

FightLife Armenia Director Geor Ayvazyan with his wife Monika and children.

Thank you for your constant prayers and support! We are grateful and feel them here in Armenia!
