Summer 2024

## Lebanon team's visit to Armenia

From June 24 to 27, our FightLife Lebanon team visited us in Armenia for a four-day sports camp. We extended invitations to all sports clubs in our city, and many joined us along with their coaches. They participated in our huddles and had the opportunity to hear the message of the gospel.

## Having professionals at us

On July 6th, we had the privilege of hosting a dear brother in Christ - Sarkis Chivitchyan, who serves as a remarkable example for our students. His dedication and character have been a source of inspiration. After the coaching session, he shared the gospel with us, delivering a powerful message that resonated deeply with everyone present.

# Moving to a new place

The past two months have been challenging, with our team working tirelessly day and night. However, all the hard work has paid off, and we are thrilled with the incredible results we've achieved together. We now have the best martial arts club in the city, and it's exciting to see the growing interest among the youth in our community. In addition to this success, we are pleased to share that the opening of our second branch in the city is underway, with work progressing steadily.

Another milestone that fills our hearts with gratitude is that FightLife's official Board —comprising a Chairman and Advisory Board—is in the process of being formally registered. This is truly an answered prayer, as the FightLife team and family continue to grow, surrounded by God-loving, compassionate people who are dedicated to our mission.

# Please support us in prayer

- ... for our newly joined team members
- ... for our missionary plans for 2025, as we believe we can achieve significant results in both spiritual and athletic realms
- ... for those people who stand with us through both their prayers and material support
