## New discusses

FightLife team recently met with Harutyun, Amirkhanyan, the head coach of "Spartak" Judo team in Yerevan. The initial meeting was promising, and both sides see strong potential for collaboration. This partnership could lead to expanding FightLife's presence in Yerevan through joint training, shared values, and future representation. Discussions are currently ongoing. On April 15, a meeting of the heads of martial arts federations of the Ivanovo Region was held at the Ivanovo House of Nationalities.
